Minutes approved.

Helen gave a little background on the discussion the Program Committee had surrounding the plenary speaker. A report was circulated via email prior to the meeting. The PC was close to unanimous in their first choice. People are enthusiastic about the number one candidate, but it is good to have a second candidate for back-up in case there are difficulties in scheduling and/or travel.

Teddy motioned to approve the candidates. Kevin seconded. All were in favor. All three candidates are approved by the CCC.

Sharon asked for input on suggested plenary topic, and brought up the PC's suggestion of a plenary panel. Helen said that the panel could serve as way of shaping plenary talk, and offer multiple perspectives on a possibly controversial topic.

Andy stated that we need more information on what the annual meeting is going to look like. Proposals are up from last couple of years.

2021 Proposal Stats:

In-Person Meeting = 35 abstracts

Virtual Meeting = 21 abstracts

Total: 56 (16 are duplicates – SAME in both components)

At this time in previous years we had:

2020 – 24 abstracts

2019 – 17 abstracts

2018 – 16 abstracts

Sharon will write inviting the speaker and also say that the PC is considering a panel.

Sharon circulated the current draft. The Executive Committee is meeting to discuss the draft during the first weekend in March. Sharon will send whatever comments the CCC has to EC. She took a programmatic approach. While the bullet points do not link directly to mission statement, they do reflect its goals.

One change is to replace “Near East & Wider Mediterranean” with “Southwest Asia & Greater Mediterranean Basin”. Helen noted that the PC has been making similar moves.

Sharon requested feedback on Area 3, and asked whether there was enough emphasis on BIPOC issues. Chuck stated that the work of DEI Task Force will be circulated to the Executive Committee before their meeting, as the
