KoboToolBox

.5

The screenshot shows the KoboToolBox interface. On the left, there's a sidebar with a 'NEW' button and three categories: 'Deployer' (0), 'Draft' (1, highlighted in red), and 'Archived' (0). The main area is titled 'Draft version' and contains a 'Create project: Project details' dialog box. The dialog box has fields for 'Project Name' (set to 'ASOR Test Survey 1'), 'Description' (set to 'Training'), and instructions to 'Please specify the country and the sector where this project will be deployed'. It includes dropdown menus for 'Sector' (set to 'Educational Services / Higher Education') and 'Country' (set to 'Select...'). At the bottom of the dialog is a 'CREATE PROJECT' button. To the right of the dialog, there's a 'DEPLOY' button and a globe icon.

A screenshot of the KoboToolBox survey editor interface. The top navigation bar shows the URL "kobotoolbox.org/#/forms/ayUgjyonsLMtbzdwoswpzWv/edit". The title bar says "ASUR Test Survey 1". On the right, there are "SAVE" and "X" buttons. Below the title, a message reads "This form is currently empty. You can add questions, notes, prompts, or other fields by clicking on the '+' sign below." A yellow arrow points to the plus sign icon.

Site Name

A screenshot of the KoboToolBox survey editor interface, identical to the previous one but with a question added. The "ADD QUESTION" button has been clicked, and a new question field is visible on the left side of the screen. A yellow arrow points to this new question field. On the right, another yellow arrow points to a text input field within a larger container, which is itself highlighted with a yellow border.

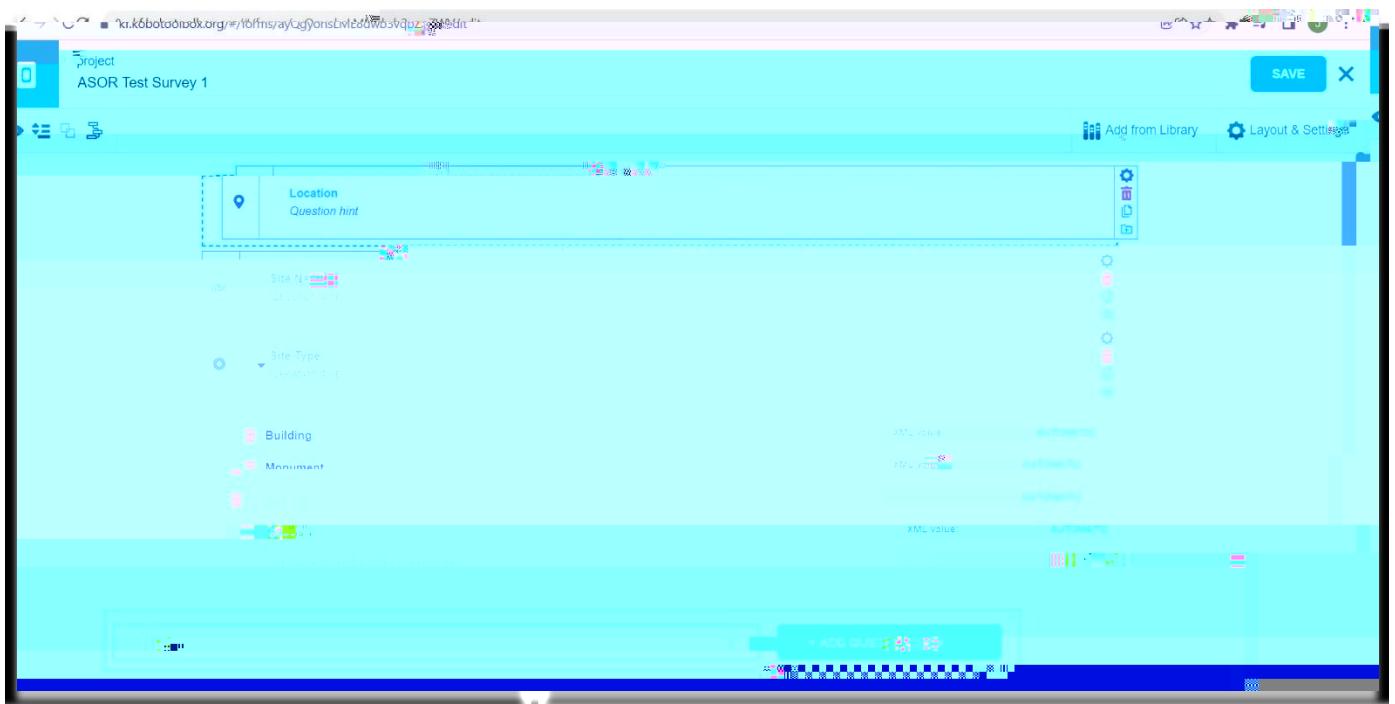

Select One

Site Type

10-5

A screenshot of a KoboToolbox survey form titled "ASOR Test Survey 1". The form has a pink header bar with the title and a blue footer bar. The main content area contains several sections. A yellow arrow points to a section labeled "Site Type" which includes a "SELECT ONE" button and a dropdown menu with options like "Point", "Line", and "Area". The background of the form is dark blue.

A screenshot of the same KoboToolbox survey form, but with most of the content redacted. The header and footer are visible, but the central content area is mostly a solid dark blue color, indicating that the data has been removed or obscured.

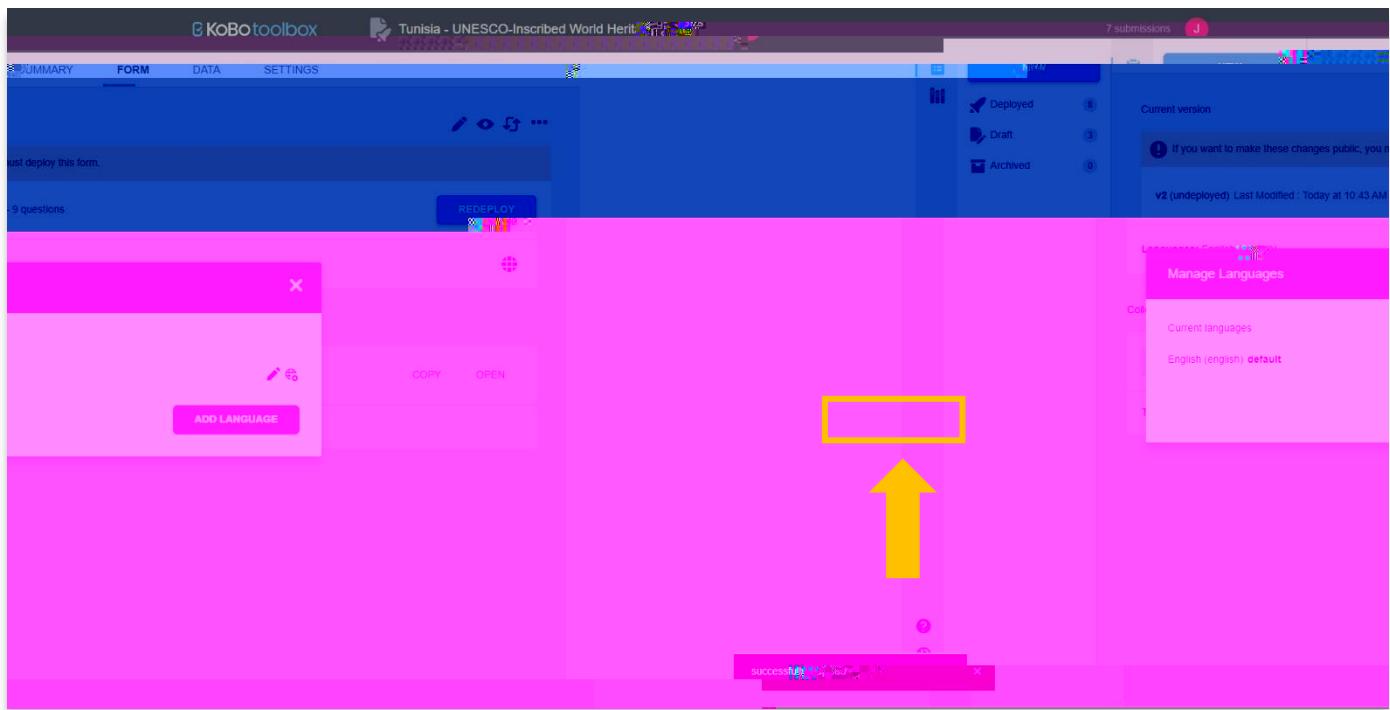

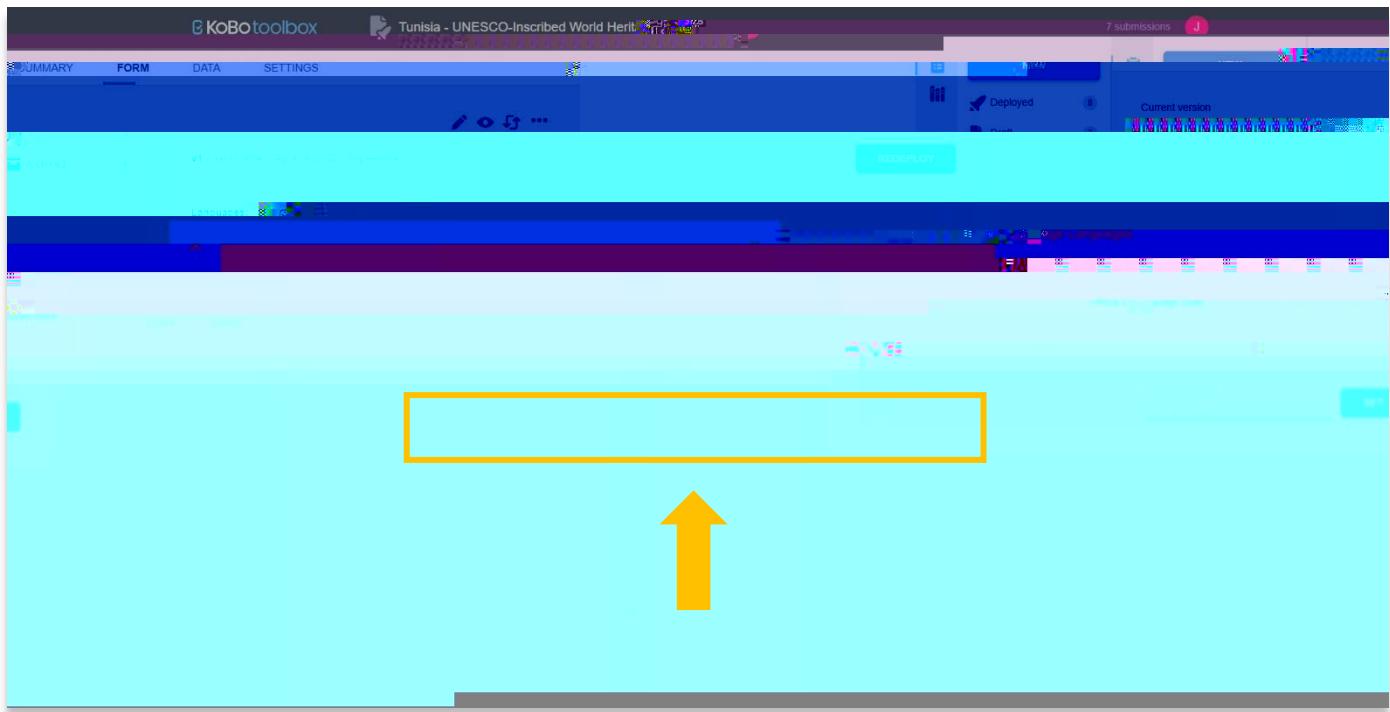

- ) ( / -

A screenshot of the KoboToolbox interface. The top navigation bar includes 'KoboToolbox', 'Tunisia - UNESCO-Inscribed World Heritage Sites', 'FORM', 'DATA', and 'SETTINGS'. On the right, there are deployment status buttons for 'Deployed' (with 7 submissions), 'Draft', and 'Archived'. A message on the left says 'just deploy this form.' Below the navigation, it shows '9 questions' and a 'REDEPLOY' button. A large yellow arrow points upwards from the bottom center towards the deployment status area.

.23

A screenshot of the KoboToolbox interface, similar to the previous one but showing a list of submissions. The top navigation bar and deployment status are identical. The main area displays a list of 7 submissions, each represented by a horizontal row of data. A large yellow arrow points to the left side of the submission list, highlighting the first few entries.
